

## Message from the Township Manager

On behalf of Township Council and the entire staff, I want to express our best wishes and hopes that 2018 will be a good year for everyone. Thanks to the professionalism and dedication of our entire staff, the Township continues to provide prompt and friendly service while keeping expenses down. As Township Manager, my goal is to continue to make Upper Providence Township one of Pennsylvania's most welcome municipalities by providing quality service through teamwork, originality, interaction and by continually striving for excellence on behalf of everyone.

Looking back on 2017, we saw the departure of three Councilmembers and welcome three new Councilmembers. We also said goodbye to two long time employees who retired after many years of service to the Township. With their departure we welcomed two new employees, who bring years of experience with them.

We look forward to the challenges of the coming year. We welcome you to join us to continue to make Upper Providence Township a community of excellence where people want to live, work and raise a family. Our community is always best served when the residents actively participate and openly communicate their ideas on ways to improve our community.

Thank you for your continued support and encouragement.

*Greg Lebold*
