Dear Upper Providence Business Owner and Business Partner,

Upper Providence is bringing back the old “field day” that the Township used to host many years ago. This event now named “Community Day”, will be held on Saturday, September 17, 2022 from 11 am to 3 pm at Rose Tree Park. There will be a 5k race and a 1 mile family fun walk/run starting at 9 am. This event is aimed at fostering Township spirit through a variety of fun activities including live music, face painting, pony rides, food, fire and police departments, field day games and activities and many more. We are very excited to bring Community Day to our residents.

Council is hoping that it will be a wild success and we can plan this annually. This is where you come in as committed business owners and partners of Upper Providence Township. While the Township does subsidize a portion of the costs for the activities, the bulk of our funding will be derived from monetary donations or through generous vendors who contribute food, drinks, prizes and other in-kind donations.

We are inviting you to join us and share in our Community Day as a dedicated sponsor. Any donation to help support our event and assistance in defraying the costs associated with the day is greatly appreciated. In addition to your donation, we will have craftsperson/business/nonprofit 10x10 spots available (those applications will be mailed separately).

We are trying to make this even as “green” as possible and therefore will not be making programs. Donor business links will be posted on our website. A large screen will be set up in the main area during the event thanking our donors, sponsors and vendors. We hope you will support Upper Providence Township’s first Community Day – Fall 2022 and thank you in advance for your support.

Sincerely,
Township Council
