

Upper Providence Township Council has contracted with CodeRED to send emergency notifications by phone, email, text as well as mobile alerts to cell phones to keep citizens informed of emergencies.

The Township may also activate CodeRED to send GENERAL notifications to registered subscribers to communicate non-life threatening safety matters, such as planned road closures, water main repairs, road paving, etc.

There is no charge to the residents to register with CodeRED and personal information is kept confidential. Registering is quick and easy.

- Sign up for CodeRED online here [CodeRED](#)
- Add the CodeRED phone number to your caller ID and contacts – 866-419-5000 for Emergency Calls
- Add the CodeRED phone number to your caller ID and contacts – 855-969-4636 for Emergency Calls

CodeRED is compatible with TDD/TTY devices for those who are deaf or hard of hearing. Individuals and businesses may add as many phone numbers, emails and text numbers as they choose.

CodeRED Mobile Alert App

Residents and visitors can now receive enhanced public safety alerts no matter where they are through the CodeRED mobile alert app, a free public safety app for both Android and iPhone users. The CodeRED mobile App is similar to the CodeRED telephone notification system; however, instead of using calls, the app delivers community and emergency alerts to anyone located within a notification area via their mobile device. If you download the app, you will be able to get alerts to your smartphone anywhere in the Country, including Hawaii, Puerto Rico and Alaska.

To download the free CodeRED mobile app, visit the [Google Play](#) or [iTunes Store](#).
