Brief Description:

\_\_\_\_\_  
\_\_\_\_\_

A site plan must be submitted with the permit application showing the following information for additions, decks, porches and patios;

- The Size of the lot;
- Existing main structure (including if applicable, rear and side porch, side deck or rear deck). Show the driveway entrance to the street. List the street name on the plan. If corner lot, show both streets.
- Existing accessory structures (sheds, swimming pools, detached garages and gazebos) with distances to the side and rear line and main structure.

- **No dumpsters are to be placed on the roadway or within the Townships right-of-way**
- **Call Linn Architects for inspection – 610-566-7044**

---

\*\* You will be contacted when the permit is ready for pick up.

The applicant/contractor/homeowner/tenant is responsible for the accuracy of the information contained in this application and the plot plan. If the permit is issued based on incorrect building setback dimensions, incorrect building size, or missing structure and waterways, the Township may rescind the permit. All expenses incurred as a result of the misrepresentation are borne by the applicant.

**Impervious surface calculations % formula**

Find the square footage of the following:

House footprint

Driveway

All sidewalks and walkways

Detached garage/sheds

Pool decking

Patios & terraces

Add the total square footage of the areas listed above then divide the sum by the total lot area of the property.
