Aqua Pennsylvania to Restrict Two State Highways in Delaware County for Water Main Improvements

King of Prussia – Aqua Pennsylvania is planning weekday travel restrictions on Baltimore Pike and Manchester Avenue in Delaware County, for water main installations, the Pennsylvania Department of Transportation (PennDOT) today announced.

Weather permitting, the work schedule is:

- Monday, April 24, through Friday, May 5, from 9:00 AM to 3:00 PM, lane restrictions are scheduled on Baltimore Pike between Edgmont Street and Radnor Street in Nether Providence and Upper Providence townships, and Media Borough; and
- Monday, April 24, through Friday, May 5, from 9:00 AM to 3:00 PM, lane restrictions are scheduled on Manchester Avenue between Radnor Street and Wallingford Avenue in Nether Providence and Upper Providence townships, and Media Borough.

All traffic will be controlled by flagging. Motorists are advised to allow extra time when traveling through these areas.

Aqua Pennsylvania will complete these projects under a PennDOT Highway Occupancy Permit.

For more information on projects occurring or being bid this year, those made possible by or accelerated by Act 89, or those on the department's Four and Twelve Year Plans, [visit www.projects.penndot.gov](http://www.projects.penndot.gov).

Motorists can check conditions on more than 40,000 roadway miles by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 825 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
