Overnight Travel Restrictions Scheduled Next Week on I-95, I-476 and U.S. 1 for Guide Rail Repair in Delaware County

King of Prussia, PA – Motorists will encounter travel restrictions next week on Interstate 95, Interstate 476 and U.S. 1 (Media Bypass) for guide rail repair, the Pennsylvania Department of Transportation (PennDOT) announced today.

The work schedule is:

- Wednesday, July 5, from 10:00 PM to 1:00 AM, the right lane is scheduled to close on northbound I-95 between the Kerlin Street and Edgmont Avenue interchanges in the City of Chester and Upland Borough;
- Thursday, July 6, from 10:00 PM to 12:00 AM, the left lane is scheduled to close on southbound I-476 between the U.S. 1 and MacDade Boulevard interchanges in Nether Providence Township;
Thursday, July 6, from 1:00 AM to 5:00 AM, the left lane is scheduled to close on northbound I-95 between the Edgmont Avenue and Ridley Park interchanges in the City of Chester, Ridley Park Borough and Ridley Township;
- Friday, July 7, from 12:00 AM to 3:00 AM, the left lane is scheduled to close on northbound U.S. 1 (Media Bypass) between Baltimore Pike and Route 252 (Providence Road) in Middletown and Upper Providence townships; and
- Friday, July 7, from 3:00 AM to 5:00 AM, the left lane is scheduled to close on northbound I-476 between the U.S. 1 and Route 3 (West Chester Pike) interchanges in Marple Township.

Drivers are advised to allow extra time when traveling through the work areas. All scheduled activities are weather dependent.

For more information on projects occurring or being bid this year, those made possible by or accelerated by Act 89, or those on the department's Four and Twelve Year Plans, [visit www.projects.penndot.gov](http://www.projects.penndot.gov).

A list of weekly road restrictions and PennDOT maintenance operations in the five-county Philadelphia region is available by visiting the [District 6 Traffic Bulletin](http://www.penndot.gov/District6) at www.penndot.gov/District6.

Motorists can check conditions on more than 40,000 roadway miles by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 825 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
