I-95, U.S. 1, I-476 and I-76 Lane Closures Next Week for Guide Rail and Barrier Repair in Delaware and Philadelphia Counties

King of Prussia, PA – Lane closures are scheduled next week on Interstate 95, U.S. 1, Interstate 476 and Interstate 76 in Delaware and Philadelphia counties, for guide rail and barrier repair operations, the Pennsylvania Department of Transportation (PennDOT) announced today.

The work schedule is:

- Wednesday, May 10, from 10:00 PM to 12:00 AM, the right lane is scheduled to close on northbound I-95 between the Delaware state line and Route 452 (Market Street) in Upper Chichester and Lower Chichester townships, Delaware County, for guide rail repair;
- Thursday, May 11, from 12:00 AM to 2:30 AM, the right lane is scheduled to close on northbound I-95 between Kerlin Street and Route 352 (Edgmont Avenue/Avenue of the States) in the City of Chester, Delaware County, for guide rail repair;
- Thursday, May 11, from 2:30 AM to 5:00 AM, the right lane is scheduled to close on northbound I-95 between the I-476 and Ridley Park interchanges in Ridley Township, Delaware County, for guide rail repair;
- Thursday, May 11, from 10:00 PM to 3:00 AM, the left lane is scheduled to close on southbound I-95 between Bridge Street and Allegheny Avenue in Philadelphia, for guide rail repair;
- Thursday, May 11, from 10:00 PM to 12:00 AM, the right lane is scheduled to close on southbound U.S. 1 (Media Bypass) between Route 252 (Providence Road) and Baltimore Pike in Upper Providence and Middletown townships, Delaware County, for guide rail repair;
- Friday, May 12, from 12:00 AM to 3:00 AM, the left lane is scheduled to close on southbound U.S. 1 (Media Bypass) between Route 252 (Providence Road) and Baltimore Pike in Upper Providence and Middletown townships, Delaware County, for guide rail repair;
- Friday, May 12, from 3:00 AM to 5:00 AM, the left lane is scheduled to close on northbound I-476 between U.S. 1 (Baltimore Pike) and Route 3 (West Chester Pike) in Marple Township, Delaware County, for guide rail repair; and
- Friday, May 12, from 3:00 AM to 5:00 AM, the right lane is scheduled to close on westbound I-76 between South Street and 30th Street in Philadelphia, for barrier repair.

Drivers are advised to allow extra time when traveling through the work areas. All scheduled activities are weather dependent.

The guide rail work is part of a \$2.2 million project to replace guide rail across the Philadelphia region.

Long Fence Company, Inc. of Phoenixville, Chester County, is the general contractor on the project which is financed with 100 percent state funds.

For more information on projects occurring or being bid this year, those made possible by or accelerated by Act 89, or those on the department's Four and Twelve Year Plans, visit www.projects.penndot.gov.

Motorists can check conditions on more than 40,000 roadway miles by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 825 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
