

Upper Providence Township 2 023 Fee Schedule

Resolution No. 2022-35

BUILDING PERMITS

In accordance with PA Act 157, a mandatory \$4.50 educational fee will be collected for each permit application, in addition to the below permit fees

Penalty Fee for work performed without a permit in addition to the actual fee	
Residential.....	\$150.00
Commercial.....	\$250.00

The Township may determine that a special building plan review is required. If it is determined that a specialized building plan review is required, the applicant shall execute a reimbursement agreement wherein the applicant agrees to reimburse the Township for any costs incurred for specialized plan reviews. Fees for specialized plan reviews are fees in addition to any permit fees or Township review fees required by any other ordinance, regulation, or resolution by the Township.

Additional fees may be imposed for the review of plans and inspections made by outside agencies, individuals, or organizations. **The fee imposed shall be reasonable and will be calculated by the Township Engineer, based on the actual cost to the Township.**

The Applicant, Owner or Agent will reimburse to the Township all fees paid by the Township to the Township Engineer, Planner, Solicitor, Traffic Engineer or other professional consultants for all reviews and field inspections.

***Fees are based on the cost of the total job including material and labor ***
