

# This Earth Day: spring clean and save the planet!

Did you know?

Every year, Americans throw away:

## 34 billion pounds of clothing

Why? The "fast fashion" Industry churns out new, trendy clothing at affordable prices.

## 97 billion pounds of electronics

Why? Rapidly changing technology makes our computers, TV's and phones obsolete

### Reduce landfill waste with Retrievr

Upper Providence has partnered with Retrievr, the recycling pick-up service that comes right to your door.

Delaware County residents have already diverted over 140,000 pounds of waste away from landfills using Retrievr!

**FOR EARTH DAY THIS YEAR, WE ENCOURAGE YOU TO RECYCLE YOUR UNWANTED CLOTHING AND ELECTRONICS INSTEAD OF THROWING THEM AWAY.**

**Motivated to do even more?  
Make It a community effort!**

- Plan a closet clean-out with your family
- Assist your neighbors with heavy or bulky items
- Host a clothing swap with your friends

**Thank you for making Upper Providence an Earth-friendly place to live!**

# Happy Earth Day!

GO to [Retrievr.com](http://Retrievr.com)

CREATE an online account

TELL us what you want to recycle

SCHEDULE a day and let us know of any special Instructions

BAG/BOX your used electronics and clothing

LEAVE them outside for pickup

FEEL GOOD about reducing landfill waste!
